**About the Book:**

*Yo-Ho-Ho  
And a shiver me be,  
Whoever heard of a cow at sea?*

Unlike the other dairy cows, who are content to graze and chew, little Moo dreams of a life on the ocean. She packs her bucket and her bell and hoofs it for the bay. Once aboard a feline fishing boat, her adventure begins! By stories end, Moo survives a storm, gets tossed overboard, boards with pirates, makes new friends, and meets the steer of her dreams.

This moo-ving adventure is a rollicking read aloud!

**About the Author:**

Lisa Wheeler grew up in the suburbs of Pittsburgh, moving with her family to Michigan when she was fifteen. She remembers being so shy that she spent many lunch periods in the library, hiding behind a book.

In 1995, she began to 'get serious' about writing and sold her first book within four years. Writing books for children is her “dream come true.”
